Selection of Finalists:

Top ten: Great Lakes Burger Legends

Ten (10) restaurants will be selected as finalists from throughout the state based on the number of nominations each restaurant receives*. MBIC retains the discretion to make all decisions regarding the selection of the finalists and decisions of the sponsor are final and discretionary. A secret panel of judges will travel to each restaurant to evaluate the burgers. In addition to judging, MBIC will also provide additional promotion and visibility of the Top 10 burgers through a strategic partnership with Michigan influencers. This partnership will include social media features, digital content and other promotional efforts to showcase the winning burgers and the establishments that created them. By participating, finalists agree to allow MBIC and its influencer partners to use images, video and other promotional materials featuring their burgers. Restaurants placing in the top 10, and certainly the overall winner, will naturally experience an increase in business and should keep that in mind as they seek nominations. * Restaurants who receive nominations for multiple locations will be counted per individual location not as a total.

Judging Criteria:

Selection of the 2025 Michigan's Best Burger will be conducted by an anonymous judging panel. **Judges will not announce their presence at your restaurant or request a free meal.** They will have discretion to order any burger on the menu. The decision of the judges is final. The following guidelines will be used in judging:

- Taste (of burger patty) – 50%
- Appearance and Presentation – 30%
- Proper cooking temperature / degree of doneness – 10%

Medium doneness, internal temperature reaches 160° F, as measured by a meat thermometer.

- Overall – 10%
